DETAILED ACTION

Response to Amendment

1. This Office action is responsive to the Request for Continued Examination (RCE) filed under 37 CFR §1.53(d) on 11/17/06. Applicants have properly set forth the RCE, which has been entered into the application, and an examination on the merits follows herewith. Claims 39-58 and 60-83 are allowed.

Information Disclosure Statement

2. The information disclosure statement (IDS) submitted on 11/17/06 is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

Allowable Subject Matter

3. Claims 39-58 and 60-83 are allowed.

4. The following is an examiner's statement of reasons for allowance: Reasons for allowance of claims 82 and 83 have been previously disclosed. With respect to independent claims 39 and 60, U. S. Patent No. 5,629,594 (Jacobus et al.), herein referred to as Jacobus, discloses using current position of user and orientation of user to determine forces to be applied to a user, involving haptic interface. The orientation of the user, and the use of this parameter is interpreted as the fiducial object location and used in calculating forces. Jacobus does not teach that the fiducial object represents a location the haptic interface would occupy if the haptic interface could not penetrate the surface of the virtual object. Such a specific teaching including determining the fiducial

Art Unit: 2173

object location under specific circumstances such as when the haptic interface could not penetrate the surface of the virtual object would not be an obvious teaching.

Since claims 40-58 and 61-81 depend on claims 39 and 60 and include all of the limitations of these claims, claims 40-58 and 61-81 are considered allowable for the reasons in which claims 39 and 60 is allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
